This promotional AppleCare+ Education Pricing is applicable only to two-year paid upfront AppleCare+ for iPad and three-year paid upfront AppleCare+ for Mac and is not applicable to any recurring payment AppleCare+ plans.

Apple Education Pricing is available to current and newly accepted university students and their parents, as well as teachers and staff at all levels. Quantity limits apply.

* Pricing for iPhone 14 and iPhone 14 Plus includes a \$30 connectivity discount that requires activation with AT&T, T-Mobile, or Verizon. Available to qualified customers and requires 24-month installment loan when you select Citizens One or Apple Card Monthly Installments (ACMI) as payment type at checkout at Apple. You'll need to select AT&T, T-Mobile, or Verizon as your carrier when you check out. An iPhone purchased with ACMI is always unlocked, so you can switch carriers at any time. Subject to credit approval and credit limit. Taxes and shipping are not included in ACMI and are subject to your card's variable APR. Additional Apple Card Monthly Installments terms are in the Apple Card Customer Agreement. Additional iPhone Payments terms are here. ACMI is not available for purchases made online at special storefronts. The last month's payment for each product will be the product's purchase price, less all other payments at the monthly payment amount. ACMI financing is subject to change at any time for any reason, including but not limited to, installment term lengths and eligible products. See <https://support.apple.com/kb/HT211204> for information about upcoming changes to ACMI financing.

◊ Apple Card Monthly Installments (ACMI) is a 0% APR payment option that is only available if you select it at checkout in the U.S. for eligible Apple products purchased at Apple Store locations, apple.com, the Apple Store app, or by calling 1-800-MY-APPLE, and is subject to credit approval and credit limit. See <https://support.apple.com/kb/HT211204> for more information about eligible products. APR ranges may vary based on when you accepted an Apple Card. Cardholders who accept an Apple Card on and/or after August 10, 2023: variable APRs for Apple Card, other than ACMI, range from 19.24% to 29.49% based on creditworthiness. Rates as of August 10, 2023. Existing cardholders: see your Customer Agreement for applicable rates and fee. If you buy an ACMI eligible product by choosing to pay in full with Apple Card (instead of using ACMI), that purchase is subject to the Apple Card variable APR, not 0% APR. Taxes and shipping on ACMI purchases are subject to the variable APR, not 0% APR. You'll need to select AT&T, T-Mobile, or Verizon as your carrier when you check out. An iPhone purchased with ACMI is always unlocked, so you can switch carriers at any time. ACMI is not available for purchases made online at the following special stores: Apple Employee Purchase Plan; participating corporate Employee Purchase Programs; Apple at Work for small businesses; Government, and Veterans and Military Purchase Programs, or on refurbished devices. The last month's payment for each product will be the product's purchase price, less all other payments at the monthly payment amount. ACMI financing is subject to change at any time for any reason, including but not limited to, installment term lengths and eligible products. See <https://support.apple.com/kb/HT211204> for information about upcoming changes to ACMI financing. See the Apple Card Customer Agreement for more information about ACMI financing.

To access and use all Apple Card features and products available only to Apple Card users, you must add Apple Card to Wallet on an iPhone or iPad that supports and has the latest version of iOS or iPadOS. Apple Card is subject to credit approval, available only for qualifying applicants in the United States, and issued by Goldman Sachs Bank USA, Salt Lake City Branch.

If you reside in the U.S. territories, please call Goldman Sachs at 877-255-5923 with questions about Apple Card.
